The KADIWA stores have been selling the onions at a reasonable price since the month of October.

Philippines Department of Agricultureâ??s (DA) KADIWA outlets offer native red and white onions for P170 a kilo, with each customer allowed to buy a maximum of three kilos, to help ease consumerâ??s needs due to the high prices of onions in local markets.

According to the latest update from the DA Bantay Presyo â?? National Capital Region (NCR), the market price of both local red and white onions is at P420 to P600.

The KADIWA stores have been selling the P170/kilo onions since the month of October which sets the suggested retail price of medium-sized red onions in NCR wet markets at P170 per kilogram.

Philippines Customs authorities sized millions worth of smuggled white and red onions from the Ports.
