The Ministry of Agriculture, Forestry and Fisheries will hold the "Agribusiness Creation Fair 2023", a technology exchange exhibition in the fields of agriculture, forestry and fisheries and food industries, at Tokyo Big Sight for three days from November 20th to November 22nd.

This year, 139 institutions from across the country will exhibit their latest research results, and we will also hold a variety of events, including lectures by experts in various fields and seminars aimed at creating startups in the agriculture, forestry, fisheries, and food industry fields.

"Agribusiness Creation Fair 2023" will clearly introduce the latest research results in the fields of agriculture, forestry and fisheries, food, etc. held by industry, academia, and government across the country through exhibitions and presentations, and encourage collaboration between research institutions and between research institutions and businesses. This is a technology exchange exhibition that promotes.

This fair has been held continuously since 2004, and this year marks the 20th time.
