

VIETSTOCK 2025: The Premier Platform For Livestock Innovation & Collaboration

18 August 2025 | News

Vietstock Expo & Forum - The most anticipated livestock event in Vietnam will take place from 8-10 October 2025 at the Saigon Exhibition and Convention Center (SECC), Ho Chi Minh City.

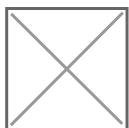

Vietstock Expo & Forum - The most anticipated livestock event in Vietnam will take place from 8-10 October 2025 at the Saigon Exhibition and Convention Center (SECC), Ho Chi Minh City.

Shaping the Future of Livestock at Vietstock 2025

As **Vietnam's Premier International Feed, Livestock & Meat Industry Show**, Vietstock Expo & Forum continues to lead as the key platform for industry professionals to showcase innovations, engage in meaningful dialogue, and tackle pressing challenges within the livestock industry across Vietnam and the ASEAN region.

Now in its 13th edition, Vietstock 2025 is expected to feature **13,000** sqm of exhibition area, bringing together **300 exhibitors** and **13,000 trade visitors** and professionals from **40** countries and regions.

With strong local and international participation, the exhibition will provide a 360-degree view of the modern livestock value chain through a comprehensive display of the latest products, solutions, and technologies.

Equipment, Technology & Engineering Solutions: From water and wastewater treatment systems, automated feeding equipment, biogas systems to climate control and biosecurity solutions, every innovation aims to drive productivity and foster sustainable livestock development.

Animal Nutrition, Genetics & Care: The show brings together leading-edge animal nutrition solutions, feed additives, raw materials, genetics and artificial insemination technologies to help enhance animal health, productivity, and farm profitability.

Production & Trade Support Services: Highlights key services in logistics, quarantine, data management, and digital platforms, all of which help optimise production chains and sharpen business competitiveness.

Livestock Products & Market Access: Showcasing the final outputs of the [livestock](#) value chain including poultry, meat, eggs, milk, and processed products, this area bridges producers and the market, reflecting current consumer trends and adding value across the sector.

Vietstock 2025: A Knowledge Powerhouse for the Livestock Sector

More than just a trade show, Vietstock Expo & Forum represents the convergence of knowledge, innovation, and partnership in the [livestock](#) industry. It is where policymakers, experts, and businesses from around the globe gather to discover breakthroughs, exchange insights, and forge strategic collaborations for a more sustainable and resilient future.

Alongside the exhibition, Vietstock 2025 will feature a robust line-up of programs including technical conferences, industry forums, business dialogues, and prestigious award ceremonies, designed to unlock real value, promote technology adoption, and upskill industry stakeholders.

Conferences & Technical Seminars

Vietstock is an Education Hub for Technical Knowledge and Market updates in the livestock Industry. The Conferences & Technical Seminars feature engaging sessions led by industry thought leaders, covering a diverse range of topics. From market trends and regulatory updates to technological advancements and best practices, these sessions provide invaluable insights and knowledge-sharing opportunities.

Highlight conferences will address key industry issues such as *the Antimicrobial Resistance Forum, Poultry/Ruminant & Dairy/Swine, Waste to Energy, Nutrition & Feed, Animal Welfare, Controlling Greenhouse Gas Emissions in Livestock Production.*

Antimicrobial Resistance Forum

AMR Forum aims to address one of the most pressing challenges in animal agriculture. The forum, titled "From Policies to Practices - Tackling Antimicrobial Resistance Together", is designed to foster collaboration and drive actionable strategies that align with international efforts to mitigate AMR.

Vietstock Awards 2025 - 13th Edition

Awarded by the Department of Livestock Production and Veterinary (MAE), The Vietstock Awards 2024 honour exceptional organisations and companies that have made significant contributions to the livestock industry in Vietnam. Vietstock Awards celebrate excellence and inspire continuous progress within the sector by recognizing exceptional achievements and innovations. The Vietstock Awards serve as catalysts for innovation, driving the industry forward and shaping its future landscape.

Match & Meet Program

A dedicated and professional networking space where exhibitors and industry decision-makers can connect efficiently and privately. The program enables direct business engagement and accelerates partnerships, right on the show floor.

Bus-in Program

Tailored for livestock households, the Bus-in Program provides transportation and on-site guidance for farmer groups from across Vietnam and Cambodia. This program enhances accessibility and maximises participation, enabling attendees to fully immerse themselves in the event experience.

Eggcellent Theatre

A feature pavilion dedicated to poultry farming and egg production. In celebration of World Egg Day, the area includes product displays, interactive games (*Did You Know?*), egg giveaways, and in-depth technical seminars.
